

THE BEAUMONT HOTEL

THE BEAUMONT is an independent, privately-owned five-star hotel in London. Superbly located on a quiet garden square in the heart of Mayfair, the hotel occupies a historic 1926 building.

Grand in style yet intimate and welcoming, its design inspired by the great Art Deco hotels of the 1920s, with beautifully appointed rooms and public areas full of original art and antiques, The Beaumont recaptures the luxurious spirit of a gentler era.

Since opening in September 2014, it has earned numerous awards, including the Automobile Association Best Hotel in London, as well as being featured on the Condé Nast Traveler Gold List multiple years running, named as one of TripAdvisor's Top 25 Hotels in the World and also as Best Small Hotel in the World by Gallivanter's Guide.
